

*SAN DIEGO COUNTY FOOTBALL OFFICIALS ASSOCIATION, INC.
18595 STARVATION MOUNTAIN ROAD
ESCONDIDO, CA 92025*

Dear San Diego Football Sponsor:

We need your assistance with our Association's upcoming Awards Banquet and Golf Tournament scheduled in November of this year.

The SDCFOA is comprised of over 250 football officials and has been actively involved with San Diego County athletics for over 50 years. The Association's primary responsibility is to provide trained and qualified officials for all football events (Youth, Pop Warner, High School and Community College) conducted throughout San Diego County. Accordingly, our commitment to youth athletics and County activities in general promotes the positive effects of athletics for the youth of San Diego County.

Our classroom and on-field training is recognized nationwide as being one of the best. The SDCFOA prides itself on having provided numerous officials to Division I NCAA programs as well as the NFL. Currently our Association is represented by two officials in the PAC 10, one in the WAC, four in the Mountain West, five in Arena Football, and four in the NFL.

Each year we put on our annual Awards Banquet and Golf Tournament during which numerous officials and football dignitaries are recognized for their service to football, the County and the Association in general. Each year we ask, and are provided, with significant assistance from local businesses in the way of merchandise for use in the award aspects of the evening's program. Such assistance is recognized during the program, as well as being posted on the Association's web-site throughout the upcoming calendar year.

The SDCFOA would be very appreciative of any assistance which you might be able to provide. There is also enclosed for your files the Association's recognition from the IRS as a 501 (c) (6) tax free organization.

Thank you for your assistance to our continuing success.

Yours very truly,

Robert D. Smith, Treasurer
