2. Announcements
3. Mechanics Summer Study (1-100) Answers Handout
4. Start Rules 1-5 (if there is time)
5. Adjourn 8:30

Announcements:

1. Next Meeting August 3rd – Mechanics Exam!! – 80% to pass
You have the option of taking the test at West Hills High School **OR** at Black Mountain Middle School (All 1st & 2nd year meet at West Hills – no option). This option is made available out of respect for the drive officials must make each meeting to get to West Hills in rush hour traffic. This is a trial effort and we will evaluate its success. Black Mountain Middle School is located at 9353 Oviedo St. in Rancho Penasquitos. It is located near Mt. Carmel HS. Bring your notebooks to Black Mountain as you will be meeting in the Little Theater and there is no writing surface. Meeting time is 7:00 at both locations.
2. Keep recruiting! You are the best recruiters so think of someone to bring into the fraternity of football officials.
3. If you want a copy of the association's annual budget – see Bob Smith, or board-meeting minutes see Nathan Weiss.
4. Banquet Date – Wednesday, November 16th @ Hall of Champions. Your dues covered the banquet cost and the banquet is now counted as a regular meeting! Raffle prizes are always welcomed! See Jeff Phillips if you have a banquet raffle prize, or Robin House if you have a Banquet question.
5. Speaking of Banquet Gifts, The Mighty 1090, has a program called the Mighty Maitre D. This program offers gift certificates to various restaurants in SD for half price i.e. \$100 dinner for \$50. This program might allow crews, or individual members, a chance to get a jump on the banquet and double the gift value! Check it out at mty1090.com and click on the Mighty Maitre D.
6. If you travel directly to games on Thursdays and Fridays from other than your home, let Sibbet know the zip code from where you will be traveling. Example: You work in downtown San Diego, but live in Vista. You want to go directly to 3:00 Thursday JV games from work. Give Sibbet zip code 92101 for Thursday games." Best to e-mail him at his new e-mail address: jsibb@cox.net.
7. SOS Sports will be at our August 17th meeting selling officiating equipment/clothing. This is a convenient opportunity to update your wardrobe!
